NEWSLETTER & E-MAIL INFORMATION

The monthly newsletter can be found on line at www.pasadenacoinclub.org. The newsletter will be mailed the months of January, March, May, July, September and November only if you do not have e-mail access. We hope to begin e-mailing as many of the newsletters as we can. Please ensure that we have your current e-mail address and if you do not have e-mail access, that we have your correct mailing address.

EDUCATIONAL PRESENTATIONS

The Pasadena Coin Club encourages members and guests to give numismatic, educational presentations. If you would like to give a presentation or know someone who might like to give a presentation, please contact one of the coin club officers. Notice we will have plenty of empty slots.

RAFFLE TICKETS, AUCTIONS AND WISH LIST

Just a friendly reminder that when you sign in at meeting time, you can purchase raffle tickets for door prizes. The tickets are really inexpensive and there are some really good items from which to choose. Red tickets are 2 for \$1 and Yellow tickets are 3 for \$1. Remember the proceeds from ticket sales goes toward buying more door prizes. We need more ticket sales to insure that this part of the program does not disappear.

After each meeting, club members place coins up for auction. We encourage our guests to stay for the auction. You do not need to be a member to bid on auction lots.

Rules:

- There is a 10-lot maximum (per member).
- You must be a member of the Pasadena coin club in order to put lots up for sale.
- There is no charge to members for entering lots.
- A \$1.00 minimum bid shall prevail.
- Lots shall be affixed to a 3"X 5" card with the following information:
Description and grade of the lot; Lot number; Minimum bid & Owners Name.
- Lots shall be listed on the proper form for such listing. (The treasurer or secretary will provide a copy for you.)

Is there an item you would like to find for your collection but have not found it yet or seen it in a club auction? Here is your chance to find out if another club member could help. The club is starting a wish list. This list will be published in the club newsletter and will be on line for everyone to check out. We hope this list will help make our auctions better. If you have need for the wish list, contact Joanne Carter.

**PASADENA COIN CLUB COINS
FOR A'S PROGRAM**

The club sponsors a program called "Pasadena Coin Club for A's." The intent is to reward the junior members with coins for each "A" they get on their report cards. This encourages and fosters further numismatic interest among the junior members. Donations to this program are always appreciated

Native American \$1 Coins

“To require the Secretary of the Treasury to mint and issue coins in commemoration of Native Americans and the important contributions made by Indian tribes and individual Native Americans to the development of the United States and the history of the United States, and for other purposes.” [Public Law 110-82](#)

Beginning in 2009, the United States Mint will mint and issue \$1 coins featuring designs celebrating the important contributions made by Indian tribes and individual Native Americans to the history and development of the United States. The obverse design remains the central figure of the "Sacagawea" design first produced in 2000, and contains the inscriptions LIBERTY and IN GOD WE TRUST. The reverse design changes each year to celebrate an important contribution of Indian tribes, or individual Native Americans, and contain the inscriptions \$1 and UNITED STATES OF AMERICA. Like the Presidential \$1 Coins, the Native American \$1 Coins maintain their distinctive edge and golden color and feature edge-lettering of the year, mint mark and E PLURIBUS UNUM.

The [2009 Native American \\$1 Coin](#) reverse features a Native American woman planting seeds in a field of corn, beans and squash and the inscriptions UNITED STATES OF AMERICA and \$1.

Until the conclusion of the Presidential \$1 Coin Program, the coins will be issued, to the maximum extent practicable, in chronological order of the events or lives of the persons being

featured on the reverse design. In general, five distinct \$1 coins will be issued each year -- four Presidential \$1 Coins and one Native American \$1 Coin. After the completion of the Presidential \$1 Coin Program, the Native American \$1 Coin Program will continue, featuring designs in any order determined to be appropriate by the Secretary of the Treasury after consultation with the Senate Committee on Indian Affairs, the House of Representatives Congressional Native American Caucus and the National Congress of American Indians.

The United States Mint will prepare a timeline of events and personal contributions of Native Americans for the program until at least 2016. This timeline will be used to create candidate designs for consideration. At various stages in the [evaluation process](#), the United States Mint will consult with the Committee on Indian Affairs, Congressional Native American Caucus, National Congress of American Indians, U.S. Commission of Fine Arts and the Citizens Coinage Advisory Committee. The Secretary of the Treasury makes the final selection of designs to be minted and issued.

The United States Mint will continue to produce Presidential \$1 Coins and Native American \$1 Coins so that the total quantity of \$1 coins minted and issued for circulation is sufficient to meet the needs of the Nation. The law requires that at least 20 percent of all such \$1 coins minted and issued in any year be Native American \$1 Coins.
