The newsletter will be mailed the months of January, March, May, July, September and November only if you do not have e-mail access. We hope to begin e-mailing as many of the newsletters as we can. Please e sure that we have your current e-mail address and if you do not have e-mail access, that we have your correct mailing address.

EDUCATIONAL PRESENTATIONS

The Pasadena Coin Club encourages members and guests to give numismatic, educational presentations. If you would like to give a presentation or know someone who might like to give a presentation, please contact one of the coin club officers. Notice we will have plenty of empty slots.

RAFFLE TICKETS, AUCTIONS AND WISH LIST

Just a friendly reminder that when you sign in at meeting time, you can purchase raffle tickets for door prizes. The tickets are really inexpensive and there are some really good items from which to choose. Red tickets are 2 for \$1 and Yellow tickets are 3 for \$1. Remember the proceeds from ticket sales goes toward buying more door prizes. We need more ticket sales to insure that this part of the program does not disappear.

After each meeting, club members place coins up for auction. We encourage our guests to stay for the auction. You do not need to be a member to bid on auction lots.

Rules:

- There is a 10-lot maximum (per member).
- You must be a member of the Pasadena coin club in order to put lots up for sale.
- There is no charge to members for entering lots.
- A \$1.00 minimum bid shall prevail.
- Lots shall be affixed to a 3"X 5" card with the following information:
Description and grade of the lot: Lot number; Minimum bid & Owners Name.
- Lots shall be listed on the proper form for such listing. (The treasurer or secretary will provide a copy for you.)

Is there an item you would like to find for your collection but have not found it yet or seen it in a club auction? Here is your chance to find out if another club member could help. The club is starting a wish list. This list will be published in the club newsletter and will be on line for everyone to check out. We hope this list will help make our auctions better. If you have need for the wish list, contact Joanne Carter.

**PASADENA COIN CLUB COINS
FOR A'S PROGRAM**

The club sponsors a program called "Pasadena Coin Club for A's." The intent is to reward the junior members with coins for each "A" they get on their report cards. This encourages and fosters further numismatic interest among the junior members. Donations to this program are always appreciated

2009 LINCOLN BICENTENNIAL ONE CENT PROGRAM

2009 Lincoln Bicentennial One Cent Program

New designs ... Coming soon to pennies near you!

In 2009, the United States Mint will mint and issue four different one-cent coins in recognition of the bicentennial of President Abraham Lincoln's birth and the 100th anniversary of the first issuance of the Lincoln cent. The reverse (tails) designs were unveiled September 22 at a ceremony held at the Lincoln Memorial on the National Mall in Washington, D.C. While the obverse (heads) will continue to bear the familiar likeness of President Lincoln currently on the one-cent coin, the reverse will reflect four different designs, each one representing a different aspect, or theme, of the life of President Lincoln.

The themes for the reverse designs represent the four major aspects of President Lincoln's life, as outlined in Title III of [Public Law 109-145](#), the Presidential \$1 Coin Act of 2005:

- [Birth and early childhood in Kentucky \(1809-1816\)](#)
- [Formative years in Indiana \(1816-1830\)](#)
- [Professional Life in Illinois \(1830-1861\)](#)
- [Presidency in Washington, DC \(1861-1865\)](#)

The new one-cent reverse designs will be issued at approximately three-month intervals throughout 2009. The Secretary of the Treasury approved the designs for the coins after consultation with the Abraham Lincoln Bicentennial Commission and the Commission of Fine Arts, and after review by the Citizens Coinage Advisory Committee.

Reverse inscriptions will continue to include "United States of America," "E Pluribus Unum" and "One Cent." And the four 2009 Abraham Lincoln one-cent coins will maintain the same metal content (2.5% copper, balance zinc) and [other specifications](#) as the current one-cent coin.

These coins will be issued for circulation in quantities to meet the demands of commerce. In addition, the Secretary of the Treasury shall mint and issue numismatic one-cent coins in 2009 with the exact metallic content as contained in the 1909 one-cent coin (95% copper, 5% tin and zinc). These numismatic versions will be included in the United States Mint's annual product offerings.

At the conclusion of the 2009 Lincoln Bicentennial One-Cent Program, the 2010 (and beyond) one-cent coin will feature a reverse design that will be emblematic of President Lincoln's preservation of the United States of America as a single and united country.
